Kids Parties FAQs

- *Can I bring any type of entertainer*

Yes you can, so long as they are finished and tidied up by the end of your booking time. They can set up from 30 minutes before they need to start. Please let us know if they need electrical connections and/ or a table or two.

- *Can we decorate the pub?*

Yes certainly!

Please NO sticky products to be used to attach decor to the walls.

- *What are your maximum numbers for a kids party?*

If you would like all children to sit at a table for their party food, plus space for your entertainment, maximum numbers are 35 children

- *We have a child(ren) with dietary requirements, can you cater for them?*

Please let us know all dietary requirements and we will do our best to accommodate, however we cannot guarantee cross contamination.

- *Could we book an afternoon time for our kids party?*

Unfortunately not as we like to make sure you can use the whole venue as you wish, in the afternoon we are unable to provide this without charging a minimum spend

- *Can we play our own music?*

Yes you can play a playlist via a cable into our system from your phone or our system laptop

- *Can we bring craft items to entertain the kids?*

Yes you can but please NO glitter or slime

- *Can we use the garden space too*

Yes of course but children must be supervised at all times

- *Do you have children's furniture?*

No unfortunately not due to the storage it would require. But we have high chairs for use

We would like your child's party to be as tailored to you as possible.

Please ask if there are other items you would like us to consider
